EXPLOR BOARD OF DIRECTORS APPROVES RESTATEMENT OF THE SHAREHOLDER RIGHTS PLAN

Rouyn-Noranda, Canada, January 14, 2016 – *Explor Resources Inc.* (TSX-V: EXS, OTCQX: EXSFF, FSE & BE: E1H1) (“**Explor**” or the “**Corporation**”) wishes to announce that the Board of Directors of the Corporation (“**Board**”) have approved the restatement of the shareholder rights plan (“**Shareholder Rights Plan**”). The Shareholder Rights Plan was first adopted by the Board in November 2008 and ratified by the shareholders at the annual and special meeting on December 16, 2008 and reconfirmed at the annual and special meeting held on December 7, 2011. It was not presented for reconfirmation at the annual and special meeting held on October 7, 2014 and therefor was terminated. On January 13, 2016 the Board passed a resolution to readopt and restate the Shareholder Rights Plan. The restatement of the Shareholder Rights Plan is subject to the approval of the TSX Venture Exchange (“**TSXV**”) and to the ratification by shareholders at the next annual meeting or it will be terminated. The Corporation will be seeking shareholder ratification at the meeting of shareholders to be held on February 16, 2016.

Pursuant to the terms of the Shareholder Rights Plan, the Corporation will issue one right (a “**Right**”) in respect of each common share outstanding. The Shareholder Rights Plan is to provide the Board of Directors and the Corporation’s shareholders with sufficient time to properly consider any take-over bid made for the Corporation and to allow enough time for competing bids and alternative proposals to emerge. The Shareholder Rights Plan also seeks to ensure that all Corporation shareholders are treated fairly in any transactions involving a change in control of the Corporation and have an equal opportunity to participate in the benefits of a take-over bid.

Under applicable laws, the Board will be permitted to utilize the Shareholder Rights Plan to allow additional time to negotiate with third parties which are considering making competing bids, but the Shareholder Rights Plan cannot be utilized to deny shareholders the opportunity to tender into any tender offer. The Shareholder Rights Plan will not prevent an offer made to all shareholders for all of their shares.

The Rights issued under the Shareholder Rights Plan become exercisable when a person, together with any parties related to it, acquires or announces its intention to acquire 20% or more of the Corporation’s outstanding common shares without complying with the “**Permitted Bid**” provisions of the Shareholder Rights Plan or without approval of the Board of Directors. The Corporation is not aware of any specific take-over bid that has been made for the Corporation or is currently being contemplated.
